---

Will you collect donations for Kid's Bingo prizes? \_\_\_\_\_

Will you provide a volunteer(s) to assist at the annual Kid's Bingo/ Carnival? \_\_\_\_\_  
(postponed until 2021)

## T.P.I.O. Sports Organization Grant

Tower Porter Improvement Organization presents a Williams Valley Sport Grant. This grant is intended for our local, youth, sporting groups that are not affiliated and financed by the Williams Valley School District. The included organizations are: WV Midget Football, WV Softball, WV Teeners, WV Little League, WV Soccer and WV Wrestling.

This Grant is intended to provide a once, yearly, \$500.00 grant to the above listed organizations, should a member of the organization fill out the request form, in its' entirety, and prove the need of requested funds. This grant was formed during the time of COVID and comes from the monies raised at our annual Kid's Bingo, which was always intended to assist children in being able to play sports. The grant is entirely contingent on the continuation of our Kid's Bingo event and the monies raised there in. Completion of the form does not guarantee funding. Receiving a grant in a prior year does not guarantee acceptance a following year. Grant forms will be evaluated on a first come, first serve basis.

If applying for this grant, our organization will need to know, in detail, what your sporting organization does to help children that want to play the sport in question be able to attain that goal, if it is not financially possible for that child's family. We will also need to know why the money is being requested and what the intended use will be. In addition we will need you or your organization to provide or solicit prizes for our Kid's Bingo. We will also require at least one member of your organization to assist in working at the Kid's Bingo and/or the Old Home Week Carnival (this requirement is waived for the 2020 year as the Bingo and Carnival were postponed due to COVID). Subsequent year donations will be denied if these requirements are not met.

Your completed grant request will be reviewed and voted upon by our board. This will happen at our monthly meeting and you will be contacted with our decision on the day following our meeting.
